HEALTH & SOCIAL CARE ACT 2008 (REGISTRATION REQUIREMENTS) REGULATIONS 2009

ARE YOU AWARE THAT YOU HAVE TO RE-REGISTER YOUR SERVICE WITH CQC IN 2010?

DO YOU KNOW HOW THE HEALTH AND SOCIAL CARE ACT 2008 DIFFERS FROM THE CARE STANDARDS ACT OF 2000?

ARE YOU AWARE WHICH OF THE NEW "REGULATED ACTIVITIES" APPLY TO YOU?

If you have answered no to any of these questions, then you need to attend this event.

Compass are holding a series of events to provide information on the current changes and how this will affect you. Events are being held across England to explain the new standards and what care providers will need do in order to stay compliant with the new legislation.

All our presenters have worked in the Commission for Social Care Inspection and the Care Quality Commission so have a significant understanding of the upcoming changes.

One comment from a delegate who attended:

"I didn't know how much I needed this until I came. All care home managers need to attend these events, the information we got from this was invaluable" Margaret Charles MHA Home Manager

All our presenters have had considerable experience of working in both the Commission for Social Care Inspection (CSCI) and the Care Quality Commission (CQC).

The event will cover the following:

- The purpose of the new registration activities,
- Activities that will be regulated,
- Associated requirements,
- Highlight the changes compared to the NMS,
- Registration timelines,

- How the regulator (CQC) will check requirements are being met.
