CELEBRATING EXCELLENCE ACROSS THE CARE SECTOR

# Great North East Care Awards

The Great British Care Awards are a celebration of excellence across the care sector. The purpose of the awards is to promote best practice within the sector and pay tribute to those individuals who have demonstrated outstanding excellence within their field of work.

There are a total of 20 awards categories available for nomination, which represent all areas of the care sector, whether it be older people or specialist services, residential or home care. From frontline staff such as care workers and care managers to people who have made an impact in other ways such as training and innovation. The winners from these regional awards will then be invited to attend the national finals for either home care or care home on 14th May 2011 and 4th June respectively, at a superb London venue.

Please send your nominations in and join us in putting social care on the map.

The Great British Care Awards are proud to support the Maggie's Centres as the nominated charity. The Maggie's Centre has sites situated throughout the UK offering support for people who are impacted in some way by cancer.
