Introduction

Welcome to the last of our training guides for the period 2010 -2011. We will be publishing the training guide regularly throughout the year to keep you up to date with training opportunities. This second guide gives you details of the courses available to staff at all levels in all organisations for the period November 2010 – February 2011.

County Durham's Safeguarding Adults Board is committed to providing training at different levels to staff from all statutory, independent and voluntary organisations throughout County Durham. This guide gives details of the different levels of training available, including the aims and objectives and the target audience for each course. This training is provided free of charge and the taught courses are open to staff from all organisations.

The training provided at all levels will link closely to County Durham's Interagency Policy and Procedures and reflect Durham's Safeguarding Adults Board's commitments to the national framework for standards for good practice and outcomes in safeguarding work (Safeguarding Adults – Association of Directors of Social Services, 2005).

How do I apply for training?

If you are unsure about what level of course you should attend please contact Deborah Barnett, Safeguarding practice officer, by email: deborah.barnett@durham.gov.uk or telephone 0191 383 5251.

You should also have agreement to attend the training from your manager before you apply.

Safeguarding Adults – Alerter Training E-learning and CD-ROM

What is Safeguarding Alerter e-learning?

e-learning is another method of accessing the alerter training available to independent and voluntary sector organisations and Durham County Council and integrated team members. To access the training you will need a computer with an internet connection. The course usually takes a couple of hours to complete, but can be started and stopped at any time to fit in with your workload. Following the online course is very easy. You will only need a basic knowledge of logging on to a computer, accessing the website and using a mouse.

What is the difference between e-learning and the Safeguarding Adults CD-ROM

The CD-ROM can be used where staff have access to a computer but are unable to access the internet. All independent and voluntary providers will shortly be sent a copy of the new CD-ROM training package. The content is similar to the e-learning. At the end of the CD-ROM participants will be asked to complete a paper based multiple choice assessment and their manager asked to mark this (assessment sheets and marking guidance will be provided with the CD-ROM). On successful completion a certificate will be issued.

How do I apply to complete the alerter training by e-learning or CD-ROM

For e-learning training staff in the independent and voluntary sector should ask their manager to apply for the training, after agreeing that this is the most appropriate way of them completing the course. Managers should apply via DECHA (Durham Employers Care and Health Alliance) by contacting Anne Surtees at DECHA (Durham Employers Care and Health Alliance) by email: anne.surtees@durham.gov.uk or telephone 0191 383 3274. They will then be supplied with login user name and password for each member of staff nominated and information on how to access the course.

For Durham County Council and integrated team members please contact Barbara Dent, support officer for e-learning by email: barbara.dent@durham.gov.uk or telephone 0191 383 3839

All independent and voluntary providers should be receiving copies of the CD-ROM in February. If you are interested in accessing this training by this method please speak to your manager.
